

# Calcubot for Facebook

The best way to market your loan products

## 1 A social loan calculator for your Facebook or Website

Calcubot leverages the popularity of financial calculators to generate loan applications for both auto and mortgage from your Facebook Page.

## 2 Just 15 minutes to install, no training required

Calcubot installs on your Facebook Page or Website in less than 15 minutes. Just brand it, point it to your online loan application and check your reports.

Apply Now Clicks

## 3 Calcubot starts at \$1,499 per year

ROI is easy with Calcubot. A single funded loan pays for it many times over.
